ORANGE COUNTY AGRICULTURE INITIATIVE

WE SUPPORT OUR FARMS AND AGRI-BUSINESSES IN
ORANGE COUNTY!

In 2018, the Orange County Chamber of Commerce launched an Initiative to support agriculture in our county. With the help of Federal, State and local resources, this initiative serves to continue the tradition and create added interest in agriculture and agribusinesses. The desired outcome of this initiative is a strengthened agricultural community and continued interest and investment in Orange County's future agriculture.

THE ORANGE COUNTY AGRICULTURE INITIATIVE WILL:

Form an Orange County Ag Coalition providing a centralized resource for everything ag related
Increase public appreciation and support of agriculture within the County

Combine Federal, State, and local agencies and ag-related organizations
Enrich curriculum to engage Orange County Youth
Unite farmers and agribusiness owners
